Write the definition in the space below

Synonym:

• Antonym

• Part of

Draw a Picture

Use everything you know about the word to create a visual representation of the word of the day

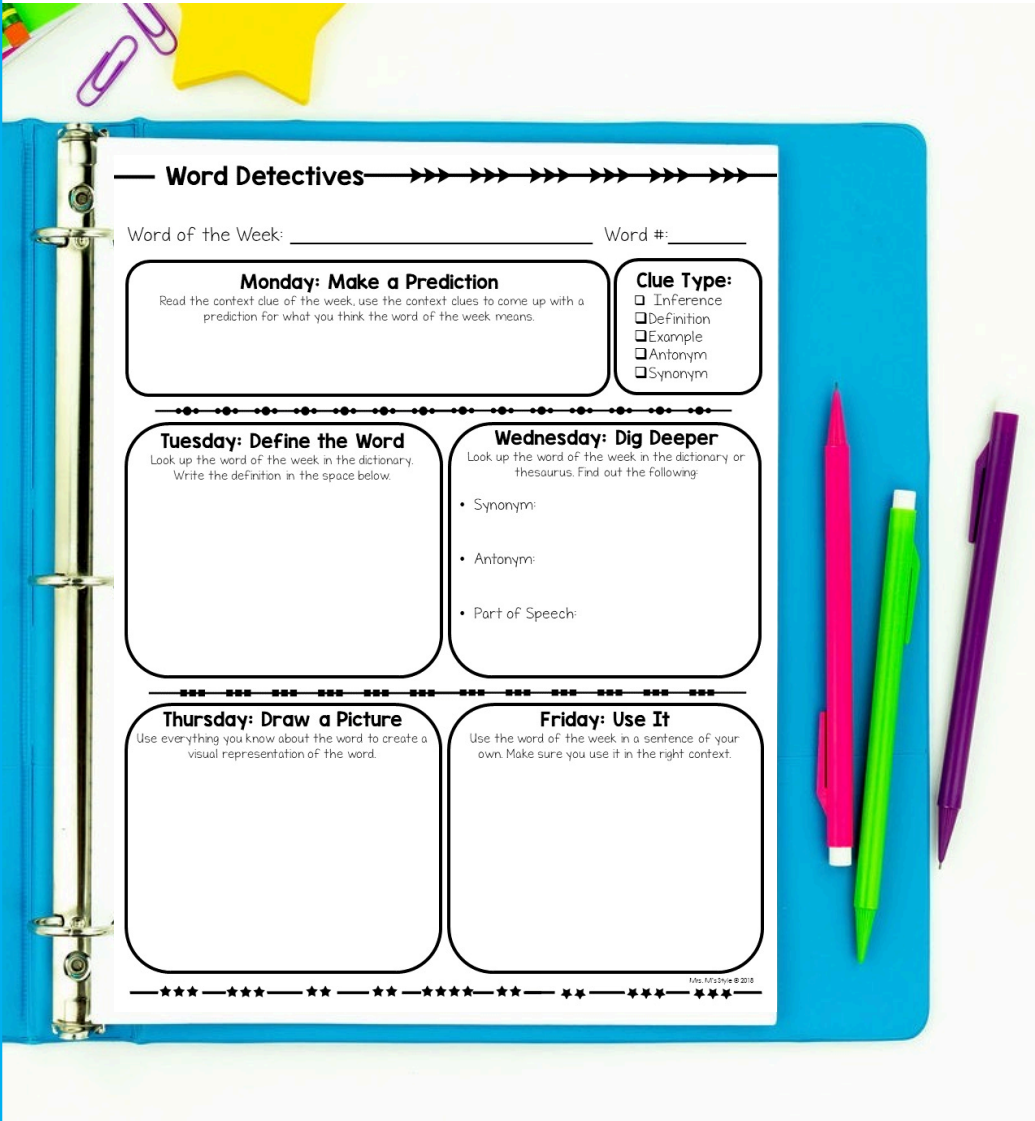

★ Word # 5

grasped

Even though Rob **grasped** the rope tight with both his hands, he still didn't have the upper body strength to pull himself up.

WORD OF THE WEEK OVERVIEW

Each week your students will go through the same set of tasks to help them become more confident in their ability to use context clues to discover the meaning of the word of the week.

- **Monday** - Students read a short paragraph with the word of the week in it. Students use the context clues to predict what the word of the week means..
- **Tuesday** - Students look up the actual definition of the word of the week in a dictionary.
- **Wednesday** - Students dig a little bit deeper and look up synonyms, antonyms, and figure out the part of speech for the word of the week.
- **Thursday** - Students draw a picture that represents the word of the week.
- **Friday** - Students use the word of the week in a sentence to confirm their understanding of the word.

TEACHERS LOVE THIS BUNDLE!

Check out what teachers have to say about this bundle.

This was a great resource to add to my student stations! Not only were my students able to practice their context clue skills, but they were also able to build their vocabulary and review parts of speech! - Miss Ki's Little Rays

I am so glad I found this resource. My students loved completing a section each day applying the different vocabulary skills. -Andrea B.

These are awesome! I love that I can put one or two up a day and make them a class discussion and we can practice, or I can send a few home to work on independently and discuss in small group the next day! These are very helpful. - Natalie Benco

WHAT'S INCLUDED IN EACH SET?

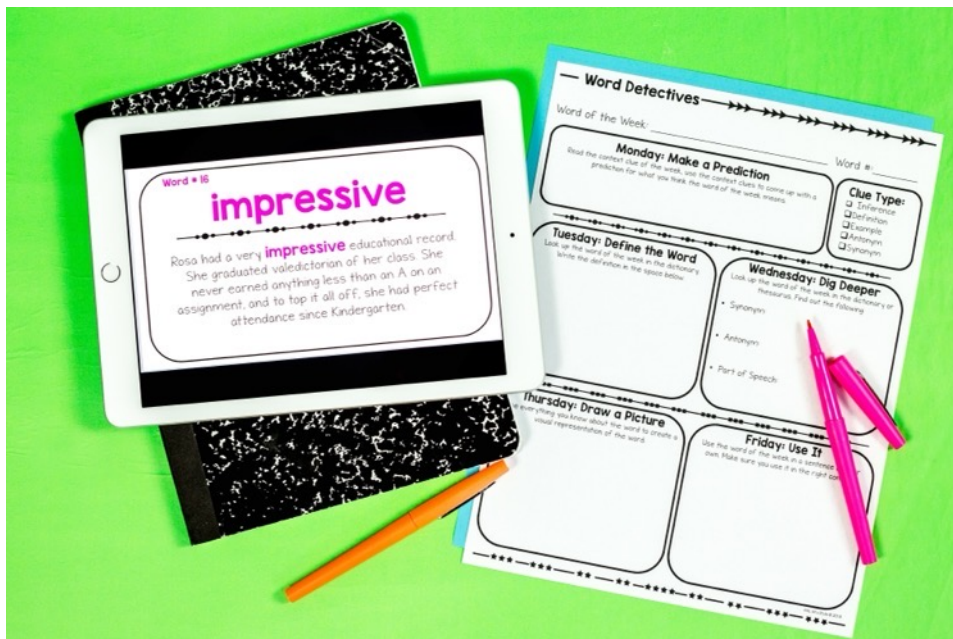

- **Word of the Week PowerPoint**

If you want to do this routine whole group, the PowerPoint presentation allows you to display the Word of the Week and sample sentences for your students to see.

- **Word of the Week Cards**

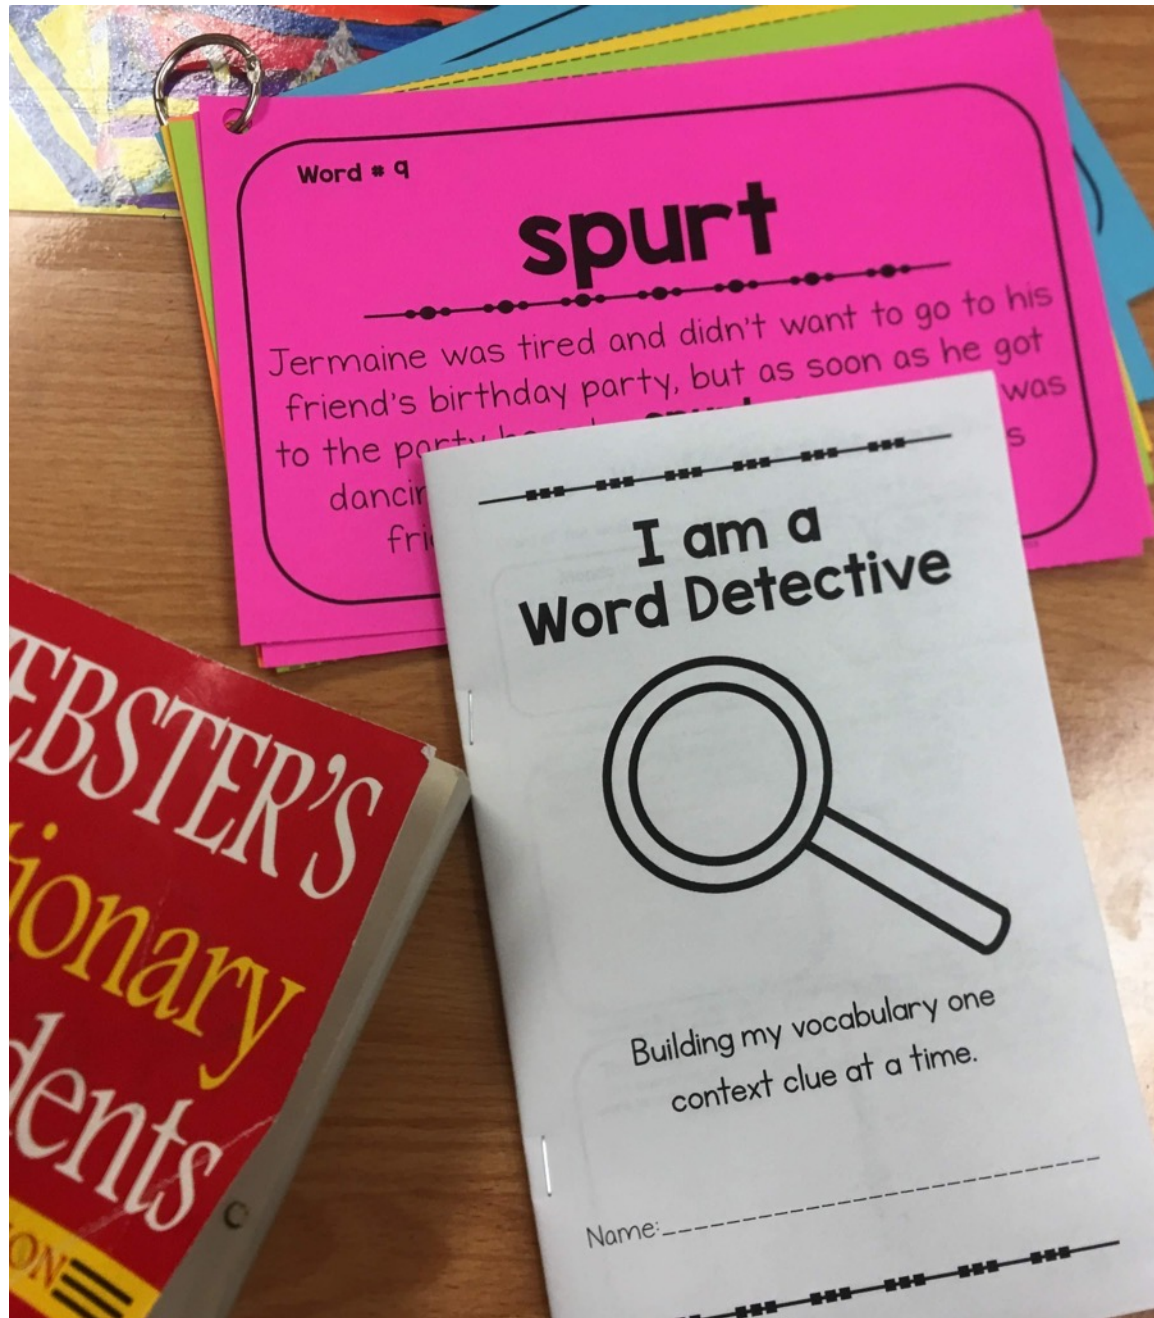

If you would rather students complete this individually or in a center, these half page cards display the Word of the Week and sample sentences.

- **Student Recording Book/Worksheets**

Students can either create a word of the week booklet or use a new worksheet each week to complete the specific daily tasks each week.

WHAT'S INCLUDED IN EACH SET?

- **Teaching Guide**
All the information you'll need as a teacher is included in the teaching guide. It gives helpful tips for how to use this routine in your classroom and also includes the definition, part of speech, synonyms, and antonyms for each word.
- **Digital Version**
If you are teaching virtually, you can still use this resource. There is a digital version created using Google Slides.
